Short Description

For impulse sales and the creation of additional sales, it is important that the products are presented and displayed at eye level to catch the customers' attention. For this purpose, the OTC 95 BE is ideal for use in shops, supermarkets, cafés, gas stations, etc. and is particularly suitable for beverages. The OTC 95 BE holds 110 liters and the transparent front provides a good eye-catcher from all sides. The electronic control and external display make it easy to see the temperature. Energy-saving LED lighting provides a good light that represents the goods well in the cooler. The cooler has 4 wheels and is easy to move around, even when full. The impulse cooler is delivered without a lid, which makes it easy and effortless to get into the cooler. A sliding lid can be purchased as an accessory if a lid is desired.
